

REGISTRATION FORM

One day Workshop

on

DESIGN & ANALYSIS OF MECHANICAL SYSTEMS

31st August, 2017

1. Name :
2. Designation :
3. Name the Organization :
-
4. Address for Correspondence :
-
-
- Phone No :
- E-Mail :
5. Registration details Category :
-
- (Industry/Academic/PG student & Research Scholar)

Signature

Signature of
Head/Principal

Registration Fee

R & D Organisations & Industry : **Rs 1000/-**
Faculty from Academic Institutions : **Rs 500/-**
PG Students & Research Scholars : **Rs 300/-**

Organising Committee

Prof.P. Usha Sri, Professor & Head, MED, UCE,OU
Prof. P. Laxminarayana, Dean, FoE, OU
Prof. SriramVenkatesh, Chairman BOS, UCE, OU
Prof. A. Krishnaiah, Vice- Principal, UCE, OU
Prof. R. Rajendra, Professor, CBOS, OU
Prof. M. Chandrasekhar Reddy, Professor
Dr. M.V. RamanaMurthy, Associate Professor
Mr. V. Uma Maheswar, Associate Professor
Dr. B. Hadya, Associate Professor
Dr. K. Saraswathamma, Associate Professor
Dr. Narsimhulu Sanke, Associate Professor
Dr. Siva Rama Krishna, Associate Professor
Dr. G. Narender, Associate Professor
Mrs. T. Nagaveni, Assistant Professor
Miss. TRSV Padmalatha, Assistant Professor
Dr. K. Buschaiah, Scientist / Inst. Engineer
Mr. G. Venkateswarulu, Asst. Professor (C)
Mr. K.L. Uday Kiran, Assistant Professor (C)
Mr. K. Venkateswarulu, Asst. Professor (C)
Mr. U.Ashok Kumar, Assistant Professor (C)
Mr. M. Prakash, Assistant Professor (C)

**ONE DAY WORKSHOP
ON**

**DESIGN AND ANALYSIS
OF MECHANICAL SYSTEMS**

31ST AUGUST, 2017

ORGANISED BY

**Department of Mechanical Engineering
University College of Engineering
Osmania University**

About the Workshop

Department of Mechanical Engineering is organizing a one day workshop on Design and Analysis of Mechanical Systems on the occasion of superannuation of Mr. V. Nageswara Rao, Former Head, Department of Mechanical Engineering, UCE, Osmania University. This workshop aims at sharing the latest developments in design of mechanical systems with an emphasis on design of modern mechanisms used in critical applications. Insight into the use of ADAMS software for analyzing various mechanisms is also part of the workshop. Experienced resource persons from R & D organizations such as DRDL will be delivering lectures on Design of Mechanical Systems.

About University

Osmania University was founded in 1918 by the seventh Nizam of Hyderabad, Nawab Mir Osman Ali Khan. Osmania University is the seventh oldest institution of higher learning in India and the third oldest in south India. This year the university is celebrating 100th anniversary. It has sustained an integrated development of all faculties and contributed to the academic, research, social and economic development across the globe.

About the College

The University College of Engineering (UCE) has the distinction of being the oldest and the biggest among the Engineering Colleges of the States of Telangana and Andhra Pradesh. Established in the year 1929, eleven years after the formation of Osmania University, it is the 6th Engineering College to be established in the whole of British India.

About the Department

The Department of Mechanical Engineering was established in the year 1939 at University College of Engineering, Osmania University. It has since then grown significantly by spreading its academic activities in offering various programmes at Undergraduate, Post Graduate and Doctoral level. Currently each year the Department admits 60 students for the Undergraduate programme and 66 for the Post Graduate courses (Production Engineering, Turbomachinery and Automation & Robotics) in regular stream and 45 in part-time Production Engineering, Automation & Robotics and Turbo machinery streams.

About Sri V. Nageswara Rao

Sri V. Nageswara Rao obtained his B.E (Mechanical Engg.) from University College of Engineering, Osmania University in the year 1979. Later he had pursued M.E in Machine Design from Indian Institute of Science, Bangalore in the year 1981. In the Year 1980&1981 he had cleared IES exam and served Telecom Factories, Govt. of India as Assistant Manager. After three years industrial service in Crompton Greaves & Telecom Factory he joined the Dept. of Mechanical Engineering, UCE, OU in the year 1984. Since then he had served the department in various capacities as Head of the Department, Chairman Board of studies and had made significant contributions to the development of the department. During his tenure as Head of the department two international conferences, several workshops and seminars were organized. He was instrumental in preparing course scheme and syllabi for the new course ME (A&R) also he supported the establishment of Center for Rapid Prototyping and Testing of Industrial Products in the Department. During his tenure he taught 10 UG and 7 PG subjects. He guided around 60 PG and 70 UG students. He is a key person in providing technical support to TSPSC, APPSC and UPSC. His love and passion towards teaching made him as a role model to several students and teachers.
